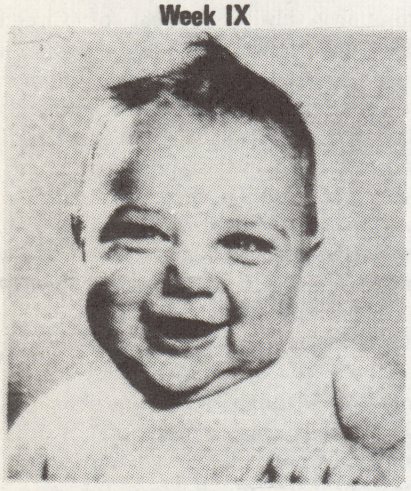
SPECIAL PROJECT – '75
HALL RENOVATION
Week IX



"Happiness is a parish community where mutual help and selfless generosity abound. That's St. John's!"

Hall Renovation Gifts

Last Week $2,591.50
Collected to date $19,057.25

(Today marks the final week in our 10-week long hall renovation drive. A more complete report will be forthcoming.)

Last Saturday, nany eager volunteers arrived in the church hall with hammers, crow-bars, saws and plenty of ambition. Within a short time, the old stage in the church hall had disappeared. With energy to spare, others assisted Mr. Mel Light who is building the new pipe-organ in the church, by carrying many parts of the new construction (which have been in storage) to the choir loft for assembly. Thanks to all who helped!!

DIOCESAN SERVICES APPEAL

DSA – 75 PARISH SOLICITATION NEXT WEEKEND

Parish Goal $9,695.00

As announced last Sunday, St. John's involvement in the annual Diocesan Services Appeal is set.

The parish co-chairmen, Mr. Gerard Wideman and Mr. Tony Comazzi and Miss Mary Budinger, DSA secretary, prepared the mailing for all parishioners which should have been received this past week. ALL parishioners are asked to return the DSA pledge card in the special self-addressed envelope next weekend. As the Bishop mentioned last week in his pastoral letter, the hardship which some persons are experiencing at this particular time is only too well known and will not be able to respond to the common Christian commitment we share together toward those in need throughout the Diocese. Whatever our circumstances at this present time, we all can take the time to return the pledge card with an appropriate designation. This gesture alone will save many hours of time-consuming follow-up for our DSA workers.

Parishioners who did not receive their own personal pledge card for the Diocesan Services Appeal will be able to make a pledge or gift contribution to DSA after each Mass next weekend. One of the parish workers will be available after each Mass in the main vestibule of the church to assist you.

We are looking forward to a successful parish campaign for this Diocesan effort. We hope you will be part of that success!

DON'T FORGET THE CAR WASH BENEFIT FOR DSA SPONSORED BY OUR PARISH YOUTH NEXT SATURDAY ON OUR PARKING LOT!

FROM THE EDUCATION DEPARTMENT
PARENT MEETING

The last parent meeting for parents of First Communicants will be held on April 21, Monday, from 8:00-9:30 p.m. Practical details regarding Solemn Communion will be given as well as an adult background for the children's lessons.

And is that all?

The Ypsilanti Public School Registration Program for kindergarten children who will be 5 years old by December 1, 1975, will be held at the First United Methodist Church, 209 Washtenaw, May 19 - May 30. Call 482-5892 for more information and help in making appointments between 1 - 4 p.m. Monday through Friday.

CROP WALK PARTICIPATION

On Saturday, April 12, 1975 at the early hour of 8:00 a.m., 161 walkers from various parts of the city arrived at the EMU Stadium to register for a 20-mile walk through various areas of the city. Kick-off ceremonies began at 8:30 a.m. with encouragement speeches by Mr. David C. Bower Crop Representative and Mayor George Goodman.

By 9:00 a.m. the walkers were off at a brisk pace for their first 10 miles. Members of St. John's Parish participating in the walk were:

Erica Alton
Scott Bradley
Patti Burns
Myra Calzado
Mike Cicirelli
Ken Ezrow
Tami Gannon
Ann Patchak
Kerry Hines
Sue Koch
Sue Martel
Kathy Martel
Alice Montie
Jill Moses
Linda Olson
Rene Ouellette
Robyn Ouellette
Dave Racine
Jim Racine
Janet Tardiff
Lance Walters
Debbie Watkins
Katie Williams

This group alone brought in the predicted total of $544.10 which figure will probably be exceeded by the time the money must be in on Saturday, April 26th since many are still seeking sponsors now that they have completed the walk.

We wish to congratulate the St. John's group for their efforts and thank them for being generous to CROP, the community hunger appeal of Church World Service which is helping people in 30 countries because many men, women, and young people in communities like St. John's and Ypsilanti believe it is important to share their blessings.

Ask the group if they were sore and achey the next day and they will answer in the affirmative. Ask them if they are in sympathy with those in other countries who must walk that far for food, water, and medicine, and the answer would again be in the affirmative. They learned something through actual participation.

It is interesting to note that 3 other members of Lance Walter's family walked in various parts of Michigan for various other endeavors. They certainly took the invitation to heart!

We would alsk like to thank Jack & Chris White, Bob and Pat Evans, and Joe and Nancy DeVooght for staying with the check points and being actively involved. Thank you for helping with this ecumenical endeavor. Sister Carol

FATHER KING TO CELEBRATE 25TH ANNIVERSARY OF HIS PRIESTHOOD

On Sunday, May 25th, Father William King will begin the celebration of his Silver Jubilee with a Mass at 4:00 p.m. at St. Paul's Parish in Owosso, Michigan. The Mass will be followed by a reception in the church hall from 5:30 to 6:30 p.m. Dinner will be served at 6:30 and dancing will begin around 8:30 p.m.

Those who would like to make reservations for this affair are asked to call Nancy Wagner at 482-8886.

Whether we are able to celebrate personally or not, we unite together to send fond wishes of gratitude for his many years of service to the Christian community, some of which were spent faithfully at St. John's. We congratulate him and God for God's choicest blessings for many years to come.

WHERE THE ACTION IS

WORLD VOCATION'S DAY

IS THERE A WAY TO LIVE FREE?
TO RUN WITH THE WIND
AND BUILD TOWERS TO THE SKY
AND LOVE WITHOUT LOSS
OR END?

IS THERE A FREEDOM
THAT LETS THE SOUL WALK BAREFOOT
THROUGH LIFE
AND THE HEART HUG THE WHOLE WORLD
AND THE MIND QUENCH ITSELF ON TRUTH?

IS THERE ANYWHERE
FREEDOM
TO BE ALWAYS
SEARCHING
DARING
DOING
PURSUING?

TELL ME IF THERE IS THIS
FREEDOM TO BE
AND TO BECOME
TELL ME WHERE!

On this day within the fifteenth year of my life in the Adrian Dominican Congregation, my vocation seems most really to be gift. I experience the Lord continually calling me to know Him better, to understand His Gospel, and to enter more fully into His mission to fulfill justice. The challenge and opportunities to grow as person in Him are always present, often pressing. It's a gift of love to have Someone before, behind, within, and around you who says: "The mountains may depart, the hills be shaken, but my love for you will never leave you" and "this only is what I ask of you: act justly, love tenderly, and walk humbly with your God."

Anne Karen Heck, O.P.

My vocation, to me, is a way of responding to my Baptismal calling to be holy and to live like Christ. Also, in these changing times, I find myself searching for the best way of responding to Christ's call to be poor, celibate, obedient. Here at St. John's, I live in a community which supports and challenges me to deal with these issues.

Sister Sheila Powers

My religious profession is my response to the overpowering love of Jesus Christ in my life. This call to a life of service in the Church is a dynamic and ever challenging committment which expresses itself daily in new and creative ways.

Sister Gail Angel, O.P.

When I first sought the life of a religious, I was drawn toward one where my talents could be used while my aspirations were satisfied, aspirations which I felt were the call of Christ in my life to do His work. God has been generous to me in the outpouring of His Spirit for these many years while I struggled to respond to His call. My Dominican community has challenged me to grow more fully as a religious woman especially through learning the value of prayer and reflection. Those with whom I have lived have supported me in my endeavors which have been many and varied. In parishes where I have worked, parishoners have given me opportunities to share with them which have helped me to grow in the understanding of their needs and love. My vocation has been strengthened by all those who have been a part of my life.

Sister Carol Denise, O.P.

My own call to the priesthood evolved during many years and was sculpted more definitely through the influence of prayer and reflection, challenging people, and a passion to spend my life with other people, especially at life's peak moments.

I had considered the medical field; I had also thought seriously of serving as a funeral director. But my final response to the call of human service I felt so deeply was formally answered when the Bishop called me to Holy Orders.

As a Christian man, ordained to serve other men and women in the context of a faith community, I felt an inseparable union between whan I am and what I do. The vocation of a priest is neither a job nor a function nor a life-style. Rather, I feel it is a continuing call to become what Christ is -- one who allows the kingdom of God to become visible through him, precisely as one who serves.

My expectations which were so many on my ordination day almost 7 years ago, were far too meager as I reflect back now. The fast, full-life which I have experienced thus far could not have been imagined then because I had not experienced you here at St. John's. You have allowed me to be His minister in good times and in bad, in moments of strength and of weakness, in birth and in death, bringing to these moments His word which engenders hope and His sacramental presence which brings new life.

Fr. Harvey

LORD, HELP ME
TO KNOW MYSELF
AND MY
ABILITIES
AS I THINK ABOUT
MY LIFE'S WORK.

LORD, HELP ME
TO SEE
THE MANY PATHS
I CAN FOLLOW
IN RESPONSE
TO YOUR LOVE
FOR ME.

AND FINALLY, LORD,
GIVE ME
THE STRENGTH
TO DO
A GOOD JOB
WHATEVER PATH
I CHOOSE.

Way back...in time immemorial so it seems today... I opted for a community of men primarily because these men of the Society of Mary administered St. John's Parish in which I was born and educated up to the eighth grade, where I acted as altar boy for three years. Equally important, too, was the unassuming religious fervor of Mom and Dad. I marvelled, particularly at the way these men looked after the needs of people, especially the dire need in all of us to be brought from the fringe areas of unconcern, from the margin areas of half-truths, from the safety areas, away from God's reach...into the center to meet Jesus, into conversion, into readiness to live Jesus Christ. In other words, I felt I could be like John the Baptist and say, "The water is fine, come on in."

Fr. Dominic S.M.

YOUR DSA GIFT HOW IT'S USED

Printed below is some information regarding the DSA budget and the tentative budget for 1975-76. (As you might surmise reading through the amounts allocated for various services offered by the Church of Lansing, a greater amount is returned to our local area of Washtenaw than is ever contributed by all the parishes together.)

What Is The Diocesan Service Appeal?

It is a fund raising campaign conducted annually throughout the Diocese of Lansing, which serves over 209,000 Catholics in the 10 counties of mid-Michigan. It provides a major source of income for over 26 agencies, programs and services which help carry out the church's mission throughout the Diocese.

What Is This Year's Goal? How Are Allocations Determined?

The minimum need established for the 1975 Diocesan Services Appeal is $675,000.

The Diocesan Finance Committee, constituted as advisory to the Bishop, reviews and makes recommendations regarding all budget allocations of DSA funds. Budget hearings are held in February during which department and agency representatives make detailed presentations to the Finance Committee. The allocations by the Committee are based on budget justification and the best use of DSA funds.

Agency budgets show needs of almost two hundred thousand dollars over the minimun goal. It is obvious that more than the minimum goal is needed if the Diocese is to provide more than minimal services.

"My concern for the success of the Diocesan Service Appeal has never been more acute," Bishop Zaleski wrote to all Catholics. "It is in difficult times that the programs and services are most in demand." The Bishop also stated that the past generosity of Catholics made him optimistic, "it shows that there is a place in our hearts for those less fortunate."

PARISH COUNCIL MINUTES
GENERAL MEETING
April 14, 1975

MEMBERS PRESENT: Father David Harvey, Sister Carol Denise, Lee Sanford, David Wheeler, Don Racine, Vera Clyne, Ethel O'Connor, Gerard Wideman, Natalie Bowyer, Richard Wagner, Ray Carpenter, David Rocha, and Ruth Lorenz.

MEMBERS EXCUSED: Doreen Binder

PARTICIPANTS: Sister Anne, Sister Sheila, Ruth Kummer, Nan Keegan, Mary Irwin, Ralph Powell.

1. Meeting was called to order by president, Lee Sanford, at 8:10 p.m. Opening Prayer was led by Lee Sanford.

Lee welcomed parishioners who attended the meeting.

2. The minutes of the March 10 meeting were approved after correction was made that Dick Wagner will be taking over the scheduling of the altar boys.

3. COMMISSION REPORTS:

A. ADMINISTRATION - Chairman David Wheel reviewed the commission's financial report. It was stated that Father Harvey will follow up on further developments of the Baptists purchasing the school and keep the Administration and Council informed on the developments. It was noted that the State of Michigan is interested in using Needham Hall as a licensing facility and that the Boy Scouts would like to use the top floor of the Hall for storage and meetings.

The entrance way to the hall is completed. New kitchen plans have been worked out. These plans will provide a larger area to the hall itself but the kitchen will be smaller. Despite the reduction in size of the kitchen, the Health Inspector has indicated that it will be adequate for the entire hall facility. It is ESTIMATED that these revisions will reduce the cost of construction of the new kitchen. There was a general discussion on the Renovation program. Dave indicated that there will be an air handling system in the hall to clear it of smoke problems. Father Harvey commended Dave Wheeler and Pat Walters on their kitchen revisions.

The patio roof is almost complete. Skylights have been sealed and a cost study on placing patio blocks will be submitted to the Commission.

The Parks and Recreation will contribute and plant trees along Ballard and Florence Streets.

Father Harvey will contact B. Fitzharris to locate a good mechanic to evaluate the cost of reconditioning our school bus. Also, Father Harvey will be contacting the Garden committee and request plants for fixing up the shrine across from St. John's.

B. EDUCATION - Secretary Ethel O'Connor reported that the purpose of their last meeting was to consider the budget for 1975-1976. Sister Anne had presented a list to the Commission of families with fees outstanding and requests would be sent by mail. If this doesn't work, phone calls will have to be made. Also, the diocese has approved a study regarding the feasibility of St. Thomas becoming an area Catholic High School. St. John's will probably be approached for help with finances.

There was a general discussion regarding the National Catechetical Directory. Sister Anne outlined the goals and purposes of the Directory, and how it will effect St. John's community if some programs are initiated. Questions, suggestions and comments were presented by members of the Council and parishioners participating. In order for people to understand the purposes and needs of the Directory, a suggestion was made that a certain paragraph be reprinted in the Ypsilanti Catholic.

C. SERVICE - Chairwomen Natalie Bowyer indicated that the Commission had decided to terminate membership in Federation of Women's Clubs. Sister Carol will write a letter stating reasons. At the Christmas Bazaar meeting, Cathy Guidebeck and Rita Sprague were named co-chairwomen and that managers of various booths were accepted and plans are underway.

There is still a need for Bingo workers on Wednesday nights.

D. WORSHIP - Chairwoman Vera Clyne indicated that announcement of names of those assisting at Mass is being eliminated temporarily until September.

4. OLD BUSINESS

A. Parish Council Nominees - Dick Wagner submitted the following names as nominees for the Council: Owen Cook, Joan Gillman, Paul Carroll, Cyril Corkins, Earl Herbert, and Ray Zakrzewski. All considered it a privilege to be nominated and look forward to be of service on the Council.

It was noted that there have been times when individuals had expressed an interest in serving on the parish council but their names have not been nominated. Motion was made that when new elections take place, parishioners will be allowed to write in their names for nomination.

Photographs and write-up of the candidates will be published in the Ypsilanti Catholic prior to elections, which is to be held on June 1.

B. In order for our parish to have a news release published in the Catholic Weekly, we are to submit copy of the Ypsilanti Catholic to the editors, indicating the desired news item.

C. The newcomers list was distributed. Continued comments come in of how gratified new parishioners are when they are welcomed in to St. John's community.

D. Ray Carpenter will look into possibilities of publishing Mass schedules for distribution in motels, hotels, bus stops and other locales within the parish. Ray will present his findings at the next Council meeting.

5. Father Harvey announced that Sister Gail will be leaving St. John's in the early part of June.

Father Harvey stated that his request for an associate looks very favorable. More information will be forthcoming when Father has the details.

Motion was made that the Sisters continue and be reimbursed for their work in the parish during the month of August. This was seconded and approved by the Council.

6. NEW BUSINESS

A. Father Harvey presented to the Council a request made by a seminarian to work at St. John's during the summer. This will give him experience in parish work and guidance from Father Harvey. Motion was made to retain the seminarian and so seconded, motion was approved.

B. The Word of God Community has requested to rent the Church Hall on Thursday evenings. Motion was made for the approval of renting the hall to the Word of God, assuming the Administration Commission can negotiate a workable contract with the Word of God.

7. With no further business, motion for adjournment was made and seconded. Parish Council adjourned at 10:20 p.m.

Respectfully submitted,
Ruth Lorenz
Secretary

NEEDS TO BE FILLED...

...On Tuesday, April 29th, St. John's is responsible for counting the money brought in by the CROP walkers of last Saturday. We will be working from about 11:00 a.m. until we are able to finish at the Ypsilanti Savings Bank on the corner of Hewitt Rd. and Washtenaw Ave. IF YOU WILL BE FREE THAT DAY, ESPECIALLY DURING THE MORNING HOURS, WE WOULD APPRECIATE YOUR HELP. Other churches were responsible for the advertisements, registrations, news and media publicity...now is our chance to add to this work. Please call Sr. Carol at 483-3360 on Monday if you are able to give some time.

...Judy Habetler of our parish has offered to redeem any green stamps or other varieties you may still have through the various home offices. These stamps are no longer in use and cannot be redeemed individually, but through her diligent thinking, we have discovered they will give monetary redemption for non-profit organizations. There are envelopes at the church doors to receive these from any parishioners who are willing to take the time to look for them and bring them to church. The Service Commission will appreciate your help along this line...every little bit helps.
